**FOR PROPER DIAGNOSTICS**

Please send all electrical components of the unit you are sending in for repair, include all cables as well with the shipment. Please tape your business card to the unit and write your dealer code on it, your unit will be programmed to your location when you get it back.

**REDUCE YOUR SHIPPING COSTS!**

Please do not send in the mobile plastic carts with any diagnostic charger. Remove the charger from the plastic mobile cart and send us everything else related to the charger. This will significantly lower your shipping costs.

**WE ACCEPT VISA OR MASTERCARD FOR PAYMENT**
